Dear Board Members,

Elliot and I spoke about setting up a SPECIAL BID meeting for next Wed., the 27th at 8:30. We'd like to have a resolution (ACTION ITEM) about formally supporting the Caruso Project. As you know, there is still some local opposition, but all of the other community organizations have given their support, and we'd like to know your thoughts on the matter. There is a planning committee meeting on Thurs. the 28th. We'd like the Caruso folks to know where we stand, and so, have decided to call this meeting, prior to the planning meeting.

The agenda is attached, and, as you will see, it's simply a one topic special meeting. We'd really appreciate your attendance if possible.

I know it is last minute, but if you CANNOT attend, would you please **email me with your written support or opposition** to having the BID officially support the project. You may also call in to the meeting, at 8:30, and become part of the discussion, if you wish. Here is the number for the conference call:

- Dial-in Number: [REDACTED]
- Access Code: [REDACTED]

Also, at 8:00 on Wed., the folks from Spectrum, who are doing the power washing, will be there, so we can take photos for the press, and we'll be able to witness the completion of our first BID project.

Please RSVP to me

Thanks,
Laurie
